*Circular No.* 408—*B. II., dated 4th April* 1940.

To

A.. Heads of Offices.

Interpretation of the term "If he had held the officiating appointment substantively" appearing in Articles 82 (b) and 82 (c) (ii), Mysore Service Regulations in cases in which the substantive pay of the officer is in excess of the minimum pay of the appointment in which he acts.

According to letter No. Fl. 5104—S. & A. 255-39-2, dated the 14th February 1940 from the Financial Secretary to Government, the term "if he had held the officiating appointment substantively" appearing in clauses (b) and (c) (ii) of Article 82, Mysore Service

Regulations (page 28) should in the cases referred to above, be interpreted to mean that the initial pay on which the acting allowance has to be calculated should first be fixed with reference to Article 85, Mysore Service Regulations and the acting allowances calculated on that stage of pay for the first year and on the next stage pay after the expiry of the period required to earn an increment and so on. An illustration is given below to make the point clear.

An officer drawing a substantive pay of Rs. 150, and acting in a higher appointment carrying a progressive pay of Rs. 120—10—200 is entitled to draw during the first year Rs. 150 (his substantive pay) plus 1/5ths of Rs. 150 (*i.e.*, the initial pay on which he would have been started if he had been appointed to the higher appointment substantively as per Article 85, Mysore Service Regulations, which will be limited to Rs. 150. After completing one year's officiating service in the higher grade (*i.e.*, the period required to earn an increment), the officer becomes entitled to draw salary at Rs. 150 (his substantive pay) plus 1/5th of 160 (the next stage in grade 120—10—200), limited in all to Rs. 160 His further increments will also be regulated accordingly.
